

Mobilities and Care.

Transformations of belonging and inequalities

5th Vienna Ethnography Laboratory, 2nd – 4th of July 2020

General Proceedings:

All sessions are based on the pre-distributed papers by our young scholars. The papers will not be presented but introduced by two short comments (each 5-8 min), the first by one of the participants and the second by one of our senior scholars. This will leave enough room for a (hopefully lively) discussion. Thursday and Friday end with an input paper by one of our senior guest scholars (approx. 20-30 min, referring to the lab topic), followed by a general discussion.

Rooms: Sessions 1, 3 and 5 take place in the “KSA Übungsraum” (4th floor), all other sessions and the breaks take place in the Seminar Room (6th floor).
